

The Pipe Club of London

THE PIPE CLUB OF LONDON, the premier pipe club in Great Britain was founded in 1970, with a view to promote and protect the interests of pipe smokers, and to offer them social entertainment and educational facilities connected with pipes and tobacco. We are an International Club with over 300 members in 25 countries as far apart as Malaysia, Sweden, Saudi Arabia, Taiwan, Lebanon and the USA.

Meetings are held regularly in and around London. Details of meetings can be obtained from the Secretary and are also available on the Club website - www.pipecluboflondon.com

Activities include: tobacco tasting; talks on pipes, tobaccos and items of other interest; interclub, regional, national and international pipe smoking contests; visits to pipe-factories, etc. In addition, the Club meets on occasion certain pipe smoking celebrities and at all events, meetings, competitions, etc., female pipe smokers are more than welcome. At present the Club has six active Lady Members. Overseas as well as UK pipe smokers of either sex are warmly welcome.

On receipt of the first annual subscription for either FULL or ASSOCIATE membership, each member receives a lapel badge, membership card and Club sticker. Copies of the Club's Journal are forwarded periodically (usually twice a year) to all paid up members.

As of June 1st. 2008:

Annual renewal of FULL membership is £25.00; or €40.00; or \$50.00.
